Poem

A Child Speaks Out from Heaven

Written by Richard Wilkins

Shared by Granny Annette

Although you think I've gone
and you feel your hearts are breaking,
you think I've left you both
in a world you see as taking.

I know you feel so cheated
from the little time we had,
but this isn't what I want,
to make you feel so sad.

Please believe in me
you don't have to let me go,
I live on in your hearts
so much more than you can know.

I know it's hard to understand
but one day you'll know I'm right,
you needn't stumble in the dark
you can always use my light.

Please know that I'm still with you
and that all these words are true.

You once looked after me,
now I'm looking after you.

A Time for Reflection with Videos and Music

A Sky Full Of Stars - by Taron Egerton

Poem
If Tears Could Build a Stairway

Anon
shared by Nana Claire

If tears could build a stairway
and thoughts a memory lane,
We'd walk right up to heaven
and bring you home again

Our heart's still ache in sadness
And many tears still flow,
What it means to lose you
No one can ever know

But now we know you want us
To mourn for you no more,
To remember all the happy times
and life still has much in store

Since you'll never be forgotten
We promise you today,
A special place within our hearts
Is where you'll always stay

Poem
For Freddie

Written by Richard Wilkins
shared by Grandma Sheila

You had to go away
You had other things to do
The Angels needed help
So they shone there light on you

Yes we're broken hearted
But we know you are not gone
We feel you all around us
Our love goes on and on

We don't know how we'll cope
But somehow we know we will
We will make it through
Cause you are with us still

We will live our lives with passion
We will live our lives with pride
We will do this Freddie
Cause you are by our side

The love we have can't break
Now or later near or far
We always knew your specialness
That you're a shooting star

Of course we will be sad
Of course we're going to cry
But then we'll see your light
Streaking through the sky

One day we'll get to join you
This time tears of joy
The Universe will feel the hug
We give you our little boy

This isn't just a few kind words
It's a message from the light
We love you so much Freddie
From us all, "nite nite."
